**NOTES TO THE FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2017**

---

**Note 1. Statement of Significant Accounting Policies**

The financial statements and notes represent those of People Living with HIV/AIDS Victoria Inc. (the "Association"), a incorporated association, which is incorporated in Victoria under the Associations Incorporation Reform Act 2012.

**Policies Basis of preparation**

People Living with HIV/AIDS Victoria Inc. applies Australian Accounting Standards - Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 201 0-2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards- Reduced Disclosure Requirements of the Australian Accounting Standards Board and the Associations Incorporation Reform Act 2012.

People Living with HIV/AIDS Victoria Inc. is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

**Accounting Policies**

**a. Plant and Equipment**

Plant & equipment are brought to account at cost less, where applicable, any accumulated depreciation and impairment losses. The carrying amount of plant and equipment is reviewed annually by Board of Management to ensure it is not in excess of the recoverable amount of these assets.

The depreciable amount of all fixed assets is depreciated on a straight line basis over their useful lives to the Association commencing from the time the asset is held ready for use.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An assets carrying amount is written down immediately to its recoverable amount if the assets carrying amount is greater than its estimated recoverable amount.

**b. Impairment of Assets**

At each reporting date, the company reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the assets carrying value over its recoverable amount is expensed to the income statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash generating unit to which the asset belongs.

**c. Leases**

All leases are classified as operating leases. Minimum lease payments made under operating leases are charged as an expense in equal instalments over the accounting periods covered by the lease term.

NOTES TO THE FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2017

**Note 1. Statement of Significant Accounting Policies**

**d. Financial Instruments**

**Initial Recognition and Measurement**

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Association commits itself to either purchase or sale of the asset (i.e. trade date accounting is adopted).

**e. Employee Benefits**

Short term benefits

The provisions for employee entitlements to wages, salaries, annual and paid maternity leave represent obligations resulting from employees' services provided up to reporting date, calculated at undiscounted amounts based on wage and salary rates, including related on-costs, which the Association expects to pay at the end of each reporting period.

Long term benefits

The provision for employee entitlements to long service leave represents the present value of the estimated future cash outflows to be made resulting from employees' services provided up to reporting date.

Superannuation

Superannuation contributions are made by the Association to approved superannuation funds for all employees. The costs are charged as employee expenses as they are incurred. The Association has no legal obligation to cover any shortfall in the superannuation funds' obligations to provide benefits to employees on retirement.

**f. Provisions**

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**g. Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short term borrowings in current liabilities in the statement of financial position.

**h. Revenue**

Revenue comprises income from the provision of government grants, client contributions and donations. Revenue from major products and services is shown in Note 2.

**Government Grants**

A number of the organisation's programs are supported by grants received from the Federal, State and Local Governments.

Where conditions are attached to a grant which must be satisfied before the organisations is eligible to receive the contribution, recognition of the grant as revenue is deferred until those conditions are satisfied.

Revenue from a non-reciprocal grant that is not subject to conditions is recognised when the organisation obtains control of the funds, economic benefits are probable and the amount can be measured reliably.

If the organisation receives a non-reciprocal contribution of an asset from a government or other party for no nominal considerations, the asset is recognised at fair value and a corresponding amount of revenue is recognised.

REG NO. A00 390 27B  
NOTES TO THE FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2017

---

**Note 1. Statement of Significant Accounting Policies**

**Client Contributions**

Fees charged services provided to clients are recognised when the service is rendered.

**Donations**

Donations collected, are recognised as revenue when the organisation gains control, economic benefits are probable and the amount of the donation can be measured reliably.

**Interest Received**

Interest revenue is recognised on a time proportional basis taking into account the interest rates applicable to the financial assets.

All receipts are stated net of Good and Services Tax.

**i. Trade & Other Payables**

Trade and other payables represent the liabilities for goods and services received by the Association that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**j. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a net basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows excluded from the receipts from customers or the payments to suppliers.

**k. Income Tax**

By virtue of its aims as set out in the constitution, the Association qualifies as an organisation specifically exempt from income tax under the Income Tax Assessment Act, 1997.

**m. Critical Accounting Estimates and Judgements**

The Board of Management evaluates estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information.

Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Association.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS**

**Opinion**

I have audited the accompanying financial report of People Living with HIV/AIDS Victoria Inc (the Association), which comprises the balance sheet as at 30 June 2017, and the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by the members of the Board.

In my opinion, the financial report of the Association is in accordance with the Associations Incorporation Reform Act (Victoria 2012),

- i. giving a true and fair view of the Association's financial position as at 30 June 2017 and of its performance for the year ended; and
- ii. complying with Australian Accounting Standards as per Note 1 and the Associations Incorporation Reform Act (Victoria 2012).

**Basis for Opinion**

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. I am independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled our other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

**Responsibilities of Management and Those Charged with Governance for the Financial Report**

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the responsible entities.

Conclude on the appropriateness of the responsible entities use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the registered entity to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that I identify during my audit.
